

Your Custom Kitchen Design Checklist

General Planning

- ☐ Take note of kitchen pain points
- ☐ Determine must-haves vs. nice-to-haves
- ☐ Set a preliminary budget range
- ☐ Decide if semi-custom cabinets are a fit

During the In-Home Consultation

- ☐ Let the designer take professional measurements
- ☐ Share cooking and entertaining habits
- ☐ Show adjacent spaces for design cohesion

Design Preferences

- ☐ Cabinet style preference (Shaker, slab, inset, etc.)
- ☐ Preferred countertop material (Quartz, granite, etc.)
- ☐ Appliance brands you're considering
- ☐ Color scheme or mood board inspiration

Functional Features

- ☐ Do you want an island? If yes, what size?
- ☐ Open shelving vs. closed cabinetry?
- ☐ Pantry storage needs?
- ☐ Accessibility or aging-in-place considerations?

Technology + Lighting

- ☐ Interest in under-cabinet lighting
- ☐ Want to integrate smart appliances?
- ☐ Explore VR design walk-throughs
